This notice sets out a summary of the use and burden associated with the following information collections. More detailed information can be found in each collection's supporting statement and associated materials (see ADDRESSES).

CMS-10519 Physician Quality Reporting System (PQRS) and the Electronic Prescribing Incentive (eRx) Program Data Assessment, Accuracy and Improper Payments Identification Support

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the Federal Register concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. Type of Information Collection Request: New collection (Request for a new OMB control number); Title of Information Collection: Physician Quality Reporting System (PQRS) and the Electronic Prescribing Incentive (eRx) Program Data Assessment, Accuracy and Improper Payments Identification Support; Use: The incentive and reporting programs have data integrity issues, such as rejected and improper payments. This four year project will evaluate incentive payment information for accuracy and identify improper payments, with the goal of recovering these payments. Additionally, based on the project's results, recommendations will

be made so that we can avoid future data integrity issues.

Data submission, processing, and reporting will be analyzed for potential errors, inconsistencies, and gaps that are related to data handling, program requirements, and clinical quality measure specifications of PQRS and eRx program. Surveys of Group Practices, Registries, and Data Submission Vendors (DSVs) will be conducted in order to evaluate the PQRS and eRx Incentive Program. Follow-up interviews will occur with a small number of respondents. Form Number: CMS-10519 (OCN: 0938-NEW); Frequency: Annually; Affected Public: Business or other for-profits; Number of Respondents: 400; Total Annual Responses: 400 Total Annual Hours: 700. (For policy questions regarding this collection contact Sungsoo Oh at 410-786-7611.)
